

Holy Cross, Topsham: Social Organisers

- This group provides opportunities for members of the parish to get together and to get to know one another.
- We foster a sense of hospitality and community.
- We do this by encouraging parishioners to join us for refreshments in the Lower Room after Mass on Sunday and after any weekday Masses as appropriate.
- We always hope to arrange special fund-raising events at Christmas and possibly at other times of the year.
- When Holy Cross is hosting events, such as Lent lunches, ecumenical services, organ recitals, we provide refreshments for the wider Topsham community. This helps us to reach out in a spirit of ecumenicism.
